Revision Description

Finding aid revised to be more evergreen. 2020-07-15

Custodial History

The Albert W. Atwood Collection was accessioned into the D.C. Community Archives in 1998. The collection of materials was acquired prior to 1998, but little information about the materials exists, except for a note in two of the volumes that read "Property of Mrs. Yates." It is presumed that Atwood created the materials, but this cannot be verified.

Processing Information

Basic archival processing procedures were applied to the collection when it was processed.

Conditions Governing Use

No known restrictions.
