Immediate Source of Acquisition

This scrap book was assembled by Eva Gilbert who was the first "curator" of the Peabody Room from 1935 to 1950. It is surmised that the ephemera contained in this scrap book was donated by library patrons to the Peabody Room after its opening in October of 1935.

Processing Information

Eva Gilbert glued each document into the scrap book, probably in the order that the items were donated. Most documents were affixed to only one side of each page. Acid free sheets have been placed between each page.
